the OODA loop

a Situational Awareness tool to help us understand and respond to our surroundings

**Observe**

- **Ask**: What are my surroundings & experiences?

**Orient**

- **Ask**: What is the baseline? Are there any anomalies?

**Decide**

- **Ask**: What are my goals, resources, options, & plan?

**Act**

- **Ask**: Am I aligned with my goals? Do I need to adjust?

Remember to turn your Situational Awareness both ON and OFF!
